

**RANCHO CALIFORNIA WATER DISTRICT
POSITION DESCRIPTION**

DATE: April 19, 2017

POSITION TITLE: **SAFETY/RISK OFFICER**

GRADE LEVEL: 8

SUPERVISOR TITLE: Human Resources Manager

FLSA Status: Exempt Non-Exempt

BARGAINING UNIT: RCWDEA RCWD MPCEA

DEFINITION

Under general direction, plans, organizes, administers and coordinates a wide variety of professional level duties in support of safety and risk management programs for Rancho California Water District (District).

CLASS CHARACTERISTICS

This is a professional classification with responsibility for performing a full range of duties related to the District's safety and risk management programs. Because employees at this level are expected to be fully trained and competent, positions assigned to this classification require significant previous work experience and training in the appropriate field. This job classification is represented by the Rancho California Water District Managers Professional Confidential Employees Association (RCWD MPCEA) bargaining unit.

EXAMPLES OF DUTIES (Duties may include, but are not limited to the following):

-  Plan, develop, coordinate, and implement the safety, health, and security programs, policies and procedures (including RCWD's safety manual and Injury and Illness Prevention Program SB198)
-  Applies technical and professional expertise in the review and evaluation of safety and health legislation and regulations which may impact operations, and manages recommendations for appropriate responses to industry and regulatory agencies.
-  Assist with RCWD's risk programs (including risk management and loss control; risk assessment; risk transfer compliance; workers compensation; property and liability insurance programs); work with the Association of Water Agencies Joint Powers Insurance Authority (ACWA/JPIA) regarding risk management visit and inspection reports and process insurance premiums
-  Manage the District's workers' compensation program; develop and recommend program design and oversee the investigation of accidents and injuries and the

- evaluation of claims; coordinate workers' compensation injury management and programs to minimize lost time injuries
- ✎ Develop and administer the District's safety and health program to include emergency management, disaster preparedness and hazardous material management programs
- ✎ Develop, recommend and administer the safety and risk management budget
- ✎ Assist with processing and investigation of District claims; collaborate with necessary departments to assess liability and property claims
- ✎ Respond to the scene of serious accidents or injuries; participate in conducting a thorough investigation and analysis of the conditions and circumstances surrounding the accident or injury; review and evaluate employee accident and injury reports, recommend remedial action and follow up to ensure appropriate action is taken
- ✎ Perform periodic audits and inspections and monitor worksites and workplace for exposure to potential health and safety hazards
- ✎ Develop and coordinate mutual aid agreements with other agencies and adjacent counties; organize and coordinate local training for public safety first responders; ensure the Emergency Operations Center (EOC) is staffed with knowledgeable qualified personnel and make training and exercises available to these personnel
- ✎ Monitor program compliance with laws, rules and regulations related to provision of emergency preparedness and related services
- ✎ Conduct emergency management training within District departments and outside agencies; write and revise emergency plans; apply technical and professional expertise in the review and evaluation of safety and health legislation, and regulations which may impact operations and manages recommendations for appropriate responses to industry and regulatory agencies.
- ✎ Coordinate District-wide health and safety training program and activities including CPR, AED and First Aid Training; trouble shoot safety concerns; manage all aspects of the District's Safety and Human Resources on-line training program
- ✎ When warranted, coordinate with contract security, vendors, and others to ensure adequate, safe, and cost effective security forces are provided
- ✎ Coordinate assigned activities and services with other District staff, and outside agencies
- ✎ Research and remain knowledgeable on laws, legal issues, and legislation in order to update, develop and create new codes, regulations, policies and procedures
- ✎ Respond to difficult and/or sensitive citizen and employee safety complaints and inquiries
- ✎ Develop and maintain an OSHA compliant record keeping system, and documentation for work related injury or illness, safety training, and complete related reports and track pertinent certifications
- ✎ Chair the Safety (Loss Prevention) Committee; facilitate and coordinate meetings and minutes
- ✎ Recommend goals, objectives, policies, procedures and evaluate programs that identify major areas of risk
- ✎ Function as liaison and coordinator between claimants, staff, insurance companies, third party administrators, etc.
- ✎ Review vulnerability studies and recommend appropriate action or implementation of findings

- ✎ Act as contact person and liaison for Riverside County Emergency Management Department; coordinate with appropriate management preparedness agencies such as the California Office of Emergency Services (CAL- OES), California Water/Wastewater Agency Response Network (CALWARN), and Emergency Response Network of the Inland Empire (ERNIE)
- ✎ Perform related duties as assigned
